

Fiart

Founded in 1960 and based in Naples, Italy; **Fiart Mare** has successfully designed and launched over 150 models to date. In fact, thousands of Fiarts have been sold and delivered throughout Europe. The shipyard has a well-deserved reputation for being passionate about its craft and its customers' onboard experience, and for continually evolving its model range by introducing new technological innovations and higher standards of onboard living.

fiartmareusa.com

The 35 Seawalker's design evokes powerful emotions. Courtesy of its extreme maneuverability and dynamic lines, the 35 Seawalker is a fast, fun, adventure-making machine.

YachtCreators

### THE YACHTCREATORS OWNERSHIP PROGRAM

We want buying and owning a Fiart Mare to be exciting and stress-free so we created an industry-first offering that sticks to this promise from the moment you're introduced to our brand.

**TRAINING.** Your Fiart Mare will be delivered by one of our professional fleet captains who will dedicate up to 4 hours with you to ensure that you understand your boat, how to maintain it, and even some helm time!

**FIRST TRIP.** You'll be armed with training and itching to do your first cruise, but it's common that you will forget some things once the distractions of friends, music, and other boats come into play so let's take the scary away... one of our captains will accompany you on your first trip (up to 4hrs) to help jog the memory and make you look like a star :)

**MAINTENANCE AND WARRANTY.** Much like a baby, the first year of a boat is crucial to ensuring a happy boat and satisfied boater. Experience has taught us that preventative maintenance is usually the key to this so we aim to get ahead of the curve by sending our professional team to visit/inspect your boat at the first 30 days after taking delivery, at 6 months, and again at 11 months before your 1yr warranty expires. This is unheard of in our industry, but our goal is to exceed expectations and make you a boater for life.

**PURCHASE & FINANCING.** If purchasing an inventory Fiart Mare then it's a simple 10% down and the balance due at closing. If financing, allow for 30 days for the banks to complete their work and count on a minimum 20% down payment. If ordering a Fiart Mare built to your needs then you will have 10% down to reserve your hull followed by a series of stage payments. Financing options are available as well for new builds.

**NEXT STEP.** Select your model, the power package, custom options, and we'll send you the Purchase Agreement for easy signature from your phone or laptop. After your deposit is received you will select your exterior paint, main deck decor, and interior soft good package. Simple and fun!

FIART MARE IS POWERED BY YACHTCREATORS WHERE WE BELIEVE THAT EVERYONE SHOULD ENJOY THE SUPER YACHT EXPERIENCE.
