FOCUS 3X

FOCUS 3X

FOCUS 3X

The transformer swim platform can be raised up, to the level of the sunbed, or lowered down into the water.

Max. lift distance: 20 in
Max. drop distance: 24 in
Max. weight: 661 lbs

A defining feature of the Focus 3X are large, electric side windows in cockpit.

Together with an opened electric glass hardtop this enables you to transform it into an almost completely open boat.

The sunbed at the front is integrated into the bow, creating a sleek side silhouette. This also adds to its stability in strong winds.

Your yacht, Your way

Your vision, brought to life at sea.

Every Focus Yacht begins as a blank canvas.

Our in-house design team works with you to shape every detail, from the hull color and interior wood selection to the finish of fixtures and choice of upholstery.

Cushions, interior upholstery, and even the finishing style of the smallest fittings can be chosen to reflect your style.

With fully adaptable equipment and layout options, the result is a yacht that is built around you, distinctive, personal, and unlike any other!

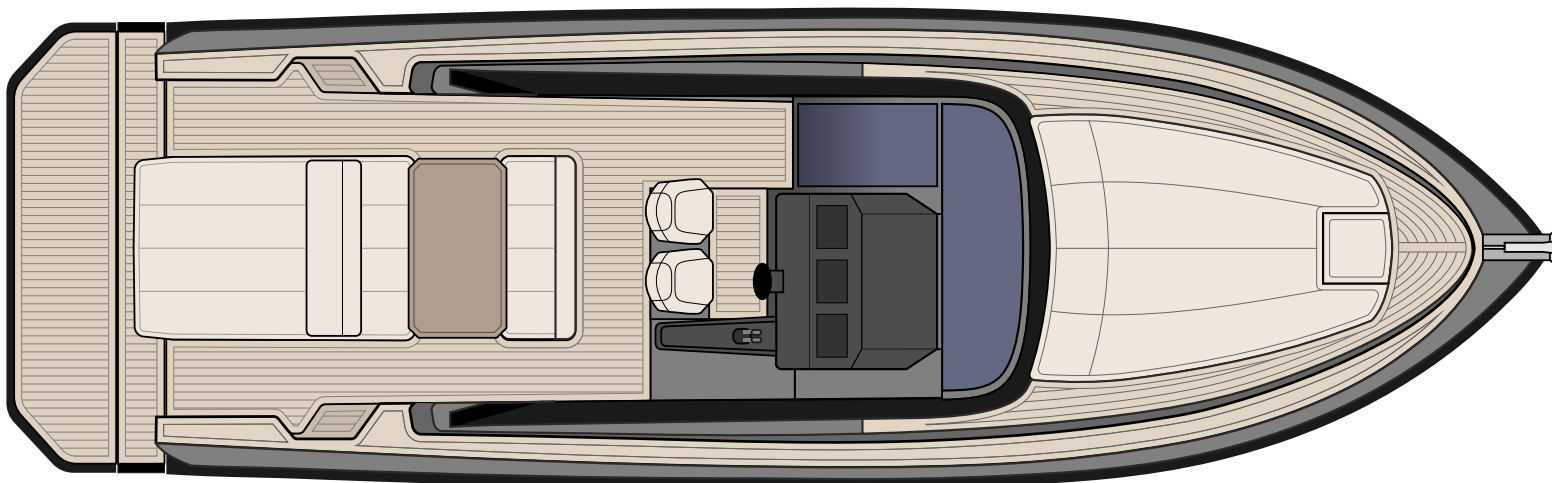

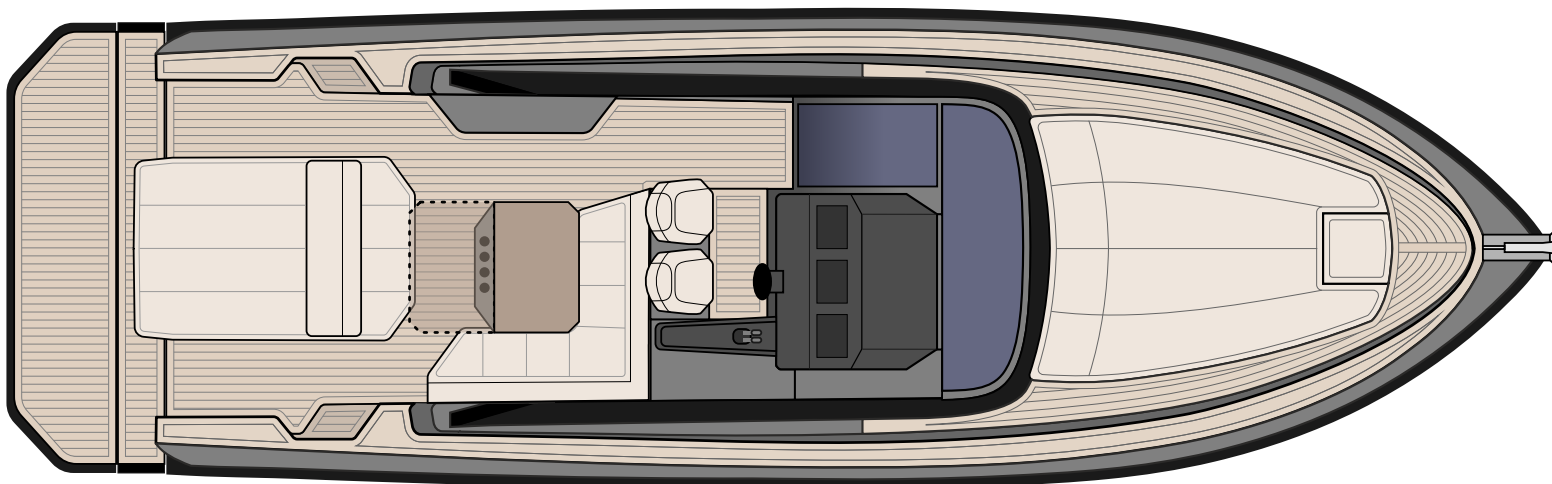

Large 120 l refrigerator

The entire interior is designed with full standing height. (minimum 6.2 ft)

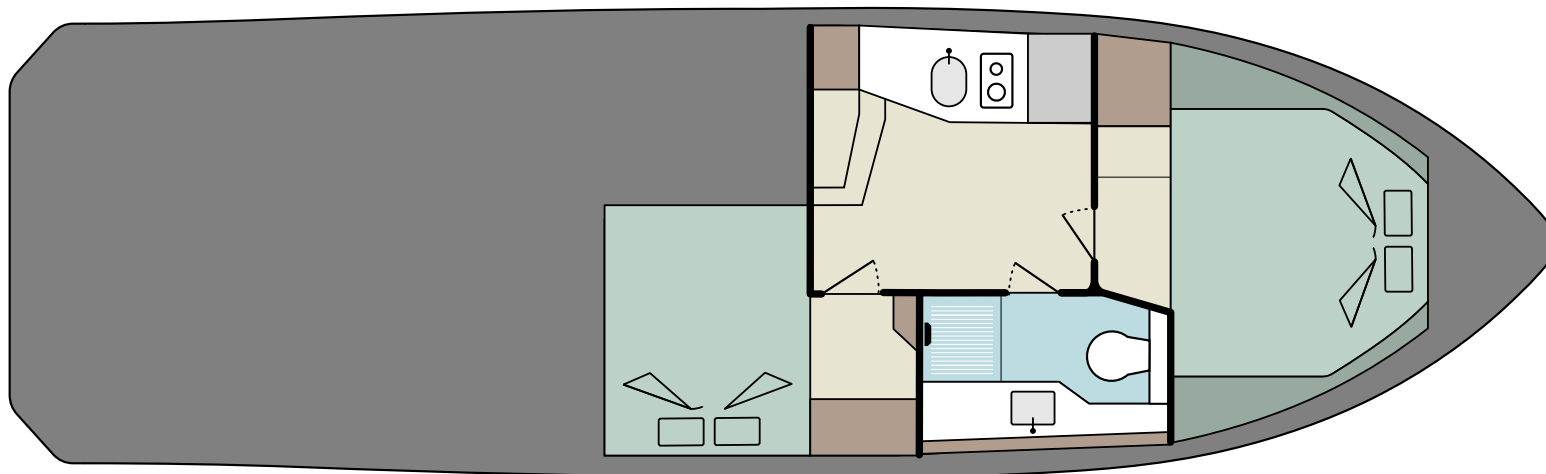

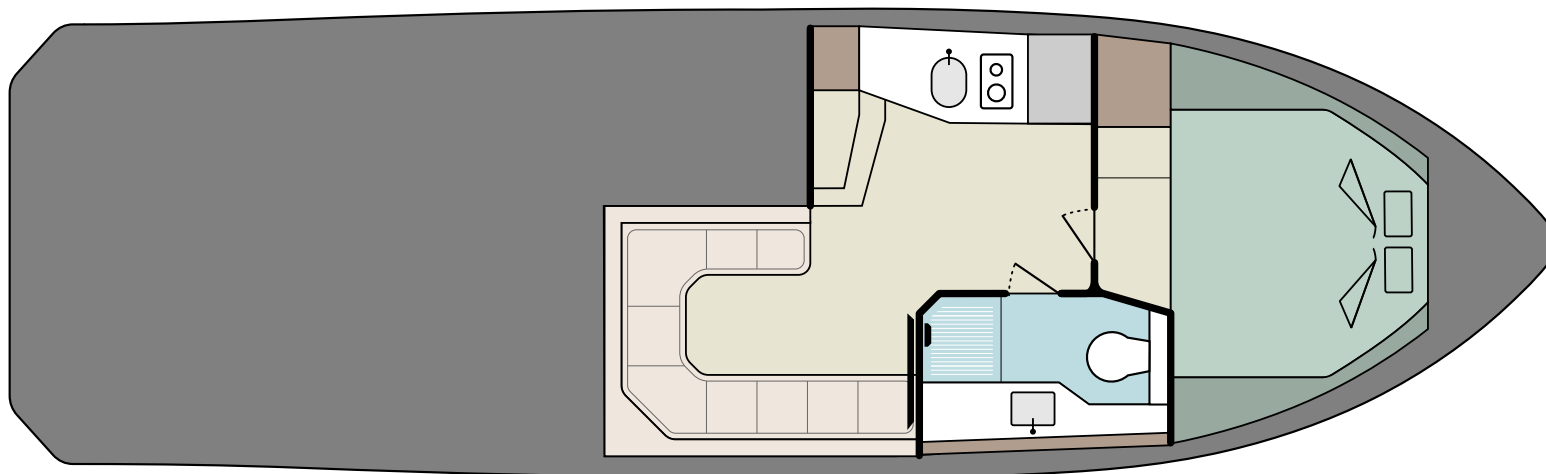

Overhead shower

The galley offers generous space, complemented by extensive storage areas
