Manufacturer Provided Description

The Princess 60 is a class leading motor yacht with exceptional space, style and performance to match. Her unique hull design and state-of-the-art infusion technology combine to deliver impeccable seakeeping and efficient cruising capabilities while her specification and detail of finish are of a standard normally reserved for much larger craft. Both the cockpit and flybridge offer spacious locations to host friends and family with teak dining tables and generous seating. Sun worshippers are also well catered for with large sunbeds on the flybridge and foredeck. The bathing platform can accommodate a jet-rib up to 3.25 metres and can be submersed for easy launch and recovery of the tender or to provide a swimming platform. Inside, the stylish saloon is surrounded by panoramic windows either side which fill the space with natural light and create a wonderful feeling of space. The finest materials and intricate detailing have been used throughout her interior creating a sumptuous space to relax and the main deck galley ensures this is a sociable area. Below deck are three beautifully detailed en-suite cabins including a full beam owner's stateroom, forward guest cabin and a twin cabin to starboard which can be fitted with sliding berths to convert to a third double if required.
