## Description

### 2017 BOSTON WHALER 345 CONQUEST

Meet the boat that re-imagines the possibilities for onboard space: the 2014 NMMA Innovation Award-winning 345 Conquest®, known for its sleek and sophisticated styling as well as the award-winning Dynamic cabin system, a forward-berth dining table that seats six adults and converts into a plush queen-sized bed with the push of a button.

Yet, as comfortable as it is, the 345 Conquest is also a serious offshore fishing boat, with amenities and options to fit any seasoned angler's needs, inspiring confidence with any adventure. Step aboard the 345 and see how smart a walkaround boat can be.

#### Highlights:

- All canvas and blisters were replaced in late 2023 including the addition of the window covers (a big +). The boosters were fabricated as original but replaced the wood backing (prone to rot) with synthetic backer board. Also had the bolster covers made (the black you see in the photos) made to prevent sun fading and degradation of the bolster fabric. The bolsters underneath the black snap on canvas covers are the same color as the interior upholstery.
- Reverso engine system installed which is a time/life saver... Owner is religious about flushing the engines (one easy connection now to flush all three engines automatically).
- Mercury 1st Mate system installed for Man-overboard protection and additional security functions.
- OEM bow cushion with cover barely used, and also have the bow Mediterranean shade with stainless steel poles that cover the bow pad/area in shade.

## Information & Features

### Mercury Verado L6 DTS (Engine 1)

Engine Type:	<b>Outboard Four-Stroke</b>	Power:	<b>350 hp</b>
Fuel Type:	<b>Gas/Petrol</b>	Propeller Type:	<b>3 Blade</b>
Engine Hours:	<b>370</b>	Propeller Material:	<b>Stainless Steel</b>

### Mercury Verado L6 DTS (Engine 2)

Engine Type:	<b>Outboard Four-Stroke</b>	Power:	<b>350 hp</b>
Fuel Type:	<b>Gas/Petrol</b>	Propeller Type:	<b>3 Blade</b>
Engine Hours:	<b>370</b>	Propeller Material:	<b>Stainless Steel</b>

### Mercury Verado L6 DTS (Engine 3)

Engine Type:	<b>Outboard Four-Stroke</b>	Power:	<b>350 hp</b>
Fuel Type:	<b>Gas/Petrol</b>	Propeller Type:	<b>3 Blade</b>
Engine Hours:	<b>370</b>	Propeller Material:	<b>Stainless Steel</b>

## Dimensions

LOA:	<b>35 ft 11 in</b>	Deadrise At Transom:	<b>19 °</b>
Beam:	<b>11 ft 8 in</b>		
Max Draft:	<b>1 ft 10 in</b>		

## Speed

Cruising Speed:	<b>35 mph</b>
Max Speed:	<b>49 mph</b>

## Tanks

Fuel:	<b>1 x 400 gal Aluminum</b>
Fresh Water:	<b>1 x 45 gal Plastic</b>
Holding:	<b>1 x 20 gal Plastic</b>

## Accommodations

Guest Cabins:	<b>1</b>
Guest Heads:	<b>1</b>

## Other

Warranty:	<b>10 Years</b>
Hull Shape:	<b>Deep Vee</b>
Builder:	<b>Boston Whaler</b>

## Electrical Equipment

- Generator: 156.7 hr
- Inverter
- Shore Power Inlet

## Electronics

- Autopilot
- CD Player
- Cockpit Speakers
- Compass
- DVD Player
- Depthsounder
- GPS
- Plotter
- Radar
- Radio
- TV Set
- VHF

## Inside Equipment

- Air Conditioning
- Battery Charger
- Deep Freezer
- Electric Bilge Pump
- Heating
- Hot Water
- Marine Head
- Microwave Oven
- Refrigerator
- Sea Water Pump

## Outside Equipment/Extras

- Cockpit Cushions
- Cockpit Shower
- Cockpit Table
- Swimming Ladder

## Standard Equipment:

- All rails welded 316-L stainless steel
- All hardware 316-L stainless steel
- Vinylester barrier coat over entire hull and hull sides

## Deck / Cockpit:

- 10" stainless steel cleats – bow (2), stern with hawse pipes (2 – 1 per side), spring line (2), bow pulpit (1)
- 10" stainless steel pull-up cleats – cross tie cleats at transom (2)
- 28" interior freeboard
- Blue LED courtesy lighting in cockpit
- Bow and stern eyes
- Bow pulpit with stainless steel roller assembly
- Cockpit coaming bolsters
- Covered telescoping swim ladder with stainless steel grab rail
- Downrigger weight holders (2 per side)
- Forward deck mounted stainless steel rod holders (2)
- Freshwater transom shower with hot and cold water
- Gunnel mounted stainless steel rod holders (4)
- Hawse pipe with integrated drink holders (2)
- Heavy-duty rub rail
- Motor well drains
- Self-bailing cockpit
- Toe rails – cockpit stainless steel port and starboard (2)
- Transom door – 1.5" acrylic with stainless steel latch
- Transom mounted stainless steel rod holders (3)
- Welded stainless steel bow rail

### **Starboard Cockpit Wetbar:**

- Hinged solid surface lid with recessed insulated cooler below
- Integrated cup holders and storage compartment
- Pull-out drawer storage compartment on starboard cockpit wall with 5-gallon pail (replaced by 1.75 cubic ft refrigerator when freezer option is selected)
- Receptacle (120-V)
- Refrigerator / freezer – stainless steel 12-V / 120-V, 2.3 cubic ft (replaced with 1.75 cubic ft and relocated to cockpit when freezer option is selected)
- Sink with pull-out faucet (hot and cold)
- Stainless steel handrail
- Stereo remote control – Fusion®
- Wet bar with solid surface counter

### **Port Cockpit Prep and Entertainment Center:**

- Dedicated cooler storage with cooler slide (35 qt Yeti® cooler included)
- Drawers (2)
- Pull-out footrest for aft facing seat
- Pull-out prep area with solid surface, hinged cutting board, storage compartment and electric grill

## Console:

- 12-V receptacles (1)
- Accent gelcoat color to reduce glare
- Air conditioning vents for defrost (2)
- Air conditioning vents towards passengers and driver (4)
- Bow thruster control
- Compass
- Cup holders – stainless steel (2)
- Electrical switch panel with illuminated text
- Electronics mounting surface (space for two 15.5" screens)
- Footrest integrated into helm
- Locking glove box with courtesy LED light, USB and MP3 inputs to the stereo, dual USB, and 12-V receptacle power for charging accessories
- Mercury® DTS dual binnacle controls
- Mercury SmartCraft Vessel View 7" (network connection to Raymarine with Navigational Package)
- Remote ignition key switches located in the cabin MDP with push button triple start/stop at helm
- Starboard helm layout
- Steering wheel – tilt
- Steering wheel with knob – cast stainless steel
- Stereo remote control – Fusion (Fusion integration into Raymarine with navigation package)
- Trim tab control

## Seating:

- Cockpit foldout stern bench seat
- Port aft facing seat with filler cushion to convert to a lounge
- Port forward facing 2 person seat with conversion seatback for aft facing seat
- Starboard helm seat / flip-up bolster with armrests with premium pedestal, with fore, aft and rotational adjustability

## Storage:

- Bilge storage tray
- Bow anchor locker with drains with LED light
- Cabin: Cabinets at galley, cedar lined hanging locker with light, mid-berth starboard side storage compartment, rod racks (4) (deleted with cabinets above settee option), under starboard settee seating, under v-berth seating

### **Forward Berth:**

- 120-V receptacle
- 12-V receptacle
- Carbon monoxide detector
- Opening hatch with solar shade and sky screen
- Reading lights (2)
- Storage under dinette seats
- USB power receptacle
- V-berth dinette with high gloss wood table; table drops with electrically actuated pedestal enabling V-berth seating to convert into queen size island bed; island bed comes with fitted sheet, comforter, and two regular size pillowcases

### **Mid Berth:**

- 12-V receptacle
- 120-V receptacle
- Carbon monoxide detector
- Hardwood cabin sole
- Privacy curtain
- Reading lights (2)
- U-shape seating that converts to berth

### **Starboard Settee:**

- Converts to double berth
- Rod storage with blue LED accent lighting (deleted with above settee cabinet option)

### **Galley:**

- 120-V receptacle
- 12-V receptacle
- Cedar lined hanging locker
- Coffee maker
- Microwave
- Sink with hot and cold water faucet
- Solid surface countertop
- Stainless steel 12-V / 120-V refrigerator / freezer (2.3 cubic ft)
- Stainless steel accent rails
- Trash receptacle
- Wood grain finish cabinets with storage

## Head:

- 120-V receptacle
- 800 GPH shower sump
- Full length mirror
- LED overhead lighting
- Porcelain vessel style sink with hot and cold faucet
- Powered ventilation
- Pull-out shower head with mixer valve
- Shower curtain
- Sky light
- Soap holder
- Solid surface vanity countertop
- Toilet paper holder
- Towel bar and ring
- VacuFlush® toilet, holding tank, dockside pump-out, overboard discharge and tank level indicator
- Vanity grab rail
- Vanity storage

## Mechanical:

- Advanced battery management system – electric switches with push button paralleling
- Air conditioner (cabin) (12,000 BTU) – reverse cycle
- Air conditioning (cockpit) (18,000 BTU) – reverse cycle
- Aluminum fuel tank (400 gallons)
- Automatic bilge pumps (1,100 GPH forward, 2,000 GPH aft)
- Battery charger – 50 amps at 12-V multi-stage charger
- Battery trays with remote switches and automatic charging / paralleling relays
- Bonding system for underwater through hull fittings
- Cast bronze through hulls and seacocks (below waterline)
- Cast stainless steel through hulls (above waterline)
- Dockside cable TV inlet
- Electric dual trumpet horns
- Engine fuel / water separators
- Freshwater dockside hook up and tank level indicator integrated into VesselView for hot and cold pressurized water system
- Freshwater tank (45 gallons)
- Freshwater transom shower with hot and cold mixer
- Freshwater washdown stainless steel faucet located in anchor locker
- High water bilge pump with alarm (2,000 GPH)
- Low CO gas (7.5 kW) 120-V 60 hz generator with fire suppression system, automatic with manual override
- Machinery space lighting
- Manifold plumbing system with individual valves per circuit
- Pressurized livewell (40 gallons) in aft port corner with clear top window and blue interior (red and white LED lights)
- Raw water washdown stainless steel faucet located in cockpit
- Shore power inlets (dual 30 amp), isolation transformers and 50 ft shore power cords (included)
- Stainless steel propellers
- Stainless steel trim tabs with electric actuation, including helm control with position indicators
- Tilt steering
- Transducer mount area
- Windlass with handheld remote control, chain & rode with anchor swivel and 35 lb anchor integrated with a polished stainless steel bow roller
