Description

2017 GALEON 445 HTS

Galeon 445 HTS is the representative of the third generation of boats from the Polish manufacturer, combining eye-catching design, excellent speed performance and high comfort level. Galeon Yachts follows a different course.

Innovative features, like panoramic sunroofs and extendable wing platforms, allow you to customize your own distinct experience. When you're onboard a Galeon luxury yacht, you experience life at its finest. The owner's cabin has a separate bathroom. The large hydraulic garage is spacious enough to store the jet skis and the inflatable boat.

A wide range of additional options allows you to create space for a larger U-shaped sofa in the cockpit when choosing a smaller garage. Also in the cockpit it is possible to install glass doors with hinged windows.
