## Description

### 2022 MAKO 214 CC

With its aggressive Deep V hull and interior creature comforts, the MAKO® 214 CC is the ideal balance of fishing performance and family convenience. Bow, forward console and aft seating adds comfort for family and friends, and the optional deck filler expands the forward lounge area.

The versatile 214 CC is overbuilt for safety and comfort. It rides on the legendary MAKO Deep V hull, which dominates chop with its aggressive deadrise and throws down spray with its reverse chines, resulting in a smooth, dry and stable ride.

All this, and it's backed by the best factory warranty in saltwater boats: the MAKO Assurance. Backed by MAKO® Assurance 5+Life, the best factory warranty in saltwater boats. **Includes the trailer!**
